## *In Memory of Mr. GEORGAKIS*

The 1986 Edisonian is dedicated to the memory of Mr. Steve Georgakis, who regretfully passed away March 12, 1986. Born October of 1927 in Aliquippa, Pennsylvania, Mr. Georgakis received a full football scholarship to Indiana University, where he was an All Big Ten guard on the Hoosier football team. After graduating with a Bachelor of Science in education, he came to East Gary in 1950. During his career at Edison he taught Drivers Education, World History, World Geography, and was assistant principal for a number of years, and then principal. He later returned to the classroom where he continued to teach until his death. Known as a friendly, conscientious educator, Mr. Georgakis was well liked by students, parents, and staff. COUNCILMEN Tina Williams, Wayne Ellis, Angelo Lara, Suzie Wilson, Mindy Baker, Bob Worst.

On Thursday, April 17, the senior class governed the city. Sitting as Principal and Vice-Principal are Mercy Soto and Elizabeth Rizos. Dave Croft served as CD Director; Angie Garrison as EMT Director; Scott Lattanzi as Code Enforcement; Keith Grusak as Park Superintendent.

# City Is Turned Over To Seniors

A voting machine was brought in the Government/Economics classes, and Seniors made their choices. On Government Day, those elected attended a luncheon served at the banquet room of Muffoletto's Bakery following the council meeting.

T.J. Webb and Kelly Elieff enjoy being Police Chief and Fire Chief. Bill Ebert and Patty Gibson found that taking over Public Works and Clerk Treasurer wasn't as easy as they thought. Judge Leslie Cox, City Attorney John Ekenseair, and Mayor Connie Greer are confident that they can work together for the city's benefit.

# CLASS OF 1986 GRADUATES

On June 1, 1986 at 2:00 p.m. graduation ceremonies took place in the high school gymnasium. The processional was played by the high school band followed by the invocation from Pastor Stephen Smith. "Camelot" and "Till There Was You" were sung by the concert choir; the band performed "Born Free." The welcome address was given by John Ekenseair, class president. The salutatorian address was given by Amy Schammert followed by Mercedes Soto, valedictorian. Mr. Fritz presented the class to the school board president, Mr. Beres, who then presented diplomas. Closing remarks were made by Dr. Kayes. Following the benediction and recessional 111 graduates made their official exit of Edison Senior High School.

## EDISONIAN Staff Works Hard

A big thank you to Mr. and Mrs. Eaton of M.P.I. for all their valuable, professional help. Their assistance made our yearbook work a lot easier.

Ken Hudson checks negatives after having developed them. Sherry Fraley puts on the finishing touches by retyping the copy layout so there are no mistakes. Dave Newman proofreads the typing before pasting it down. Angie Harter writes captions for pictures, while Buddy Gillespie tries to think of a new and creative idea for his layout.

**"Led by seven  
dedicated  
seniors"**

Led by seven dedicated seniors, 1985 was a successful year for the varsity football team. After opening the season with a win and a loss, the Eagles snapped a 5-year losing streak against arch rival River Forest, 16-10. That victory coupled with a close 13-7 win at North Newton gave the team a 2 & 3 conference record good for 4th place. The Eagles kept its "season series" record intact against Whiting with a 26 to 7 victory and closed the regular season with a tremendous 29 to 0 pounding of previously undefeated South Central.

**an inconsistent  
season "**

We were a very young team with only one player--Mercy Soto--that had varsity experience last year. It was a very inconsistent season. The girls played well against the tougher schools like Chesterton and Andean, but played poorly against weaker schools. Hopefully all the players gained valuable playing experience for next year. The girls will have to play in the summer and work twice as hard next year if they want to compete with the teams we play against. We have a tough schedule which is good if we plan on winning a sectional title. I feel this is something that can be accomplished but we have to play as a team and everybody has to realize they have a role on the team whether they are a starter or a substitute.

**"there will be  
a major  
improvement"**

With four sophomores, one freshman, and one junior starting this year there will be a major improvement in record, intensity, and the kind of play our team will show next season. Myself and the team are disappointed we didn't win the sectionals, but that will be corrected with hard work during the winter and next summer.

2. Tony Foremski (#2 singles) keeps his eye on the ball.
3. Allen Fazekas (#1 singles) serves one up.
4. Steve Catherman and Bill Ebert teamed up for #1 doubles.

**"Program  
Showed a Vast  
Improvement"**

Although our season record should have been a lot better, our program showed a vast improvement from the previous season. Our three sophomores--Guess, Anderson, Yarrington--all had winning seasons. Greer had a fine three-year career at number 1 singles. Our J.V. team had a 6-5 season against some strong competition. The girls played their best tennis of the year in the Highland Sectional. They upset Highland 3-2 in the semi-final round and then lost a very close 3-2 match to state-ranked Merrillville. All points scored in the sectional were by underclassmen.

## **"Commitment to improvement declined"**

The 1985 Eagle Cross Country season proved to be a bit disappointing. A 7:7 dual meet record could easily have been 10:4. The senior laden squad couldn't quite come together as a team. Early season individual performances highlighted promising team expectations. Commitment to improvement declined as the season progressed. The loss of key individuals late in the year proved costly to doing well at conference and sectionals.

The golf team struggled through a rebuilding year in 1986. With only one experienced golfer on the roster, the team lacked the playing background to be competitive with most teams on the schedule. The key to the future of Edison golf lies in the amount of summer play that each underclassman gets in this year.

- Coach Peterson

1. Gus Papageorgakis walks to the next hole. 2. Dave Oldaker tees off.

**"spent many  
hours"**

During the summer the cheerleaders and yell guys attended NCA camp at Vincennes University in Vincennes. They learned jumps, stunts, cheers, pyramids and pom pon routines. The squads all earned ribbons for their performances during competition. A highlight during halftime of the Kankakee Valley basketball game was the creative routine that the girls made up to the Super Bowl Shuffle. Everyone had a good time! The cheerleaders and yell guys spent many hours practicing, making signs, and preparing for the games--both football and basketball. They had a successful year supporting the teams to winning seasons. It was a fun year and a pleasure working with each squad.

## "Learned a valuable lesson"

Although our record was very poor for the tradition we have built here the past six years, our players learned a valuable lesson about intensity at the varsity level. We finished the season starting three sophomores, two juniors, and have ten of our twelve varsity players returning next season. The Eagles should be a solid conference and sectional contender the next two seasons.

**"much to look  
foward to"**

A lot of positive things happened for this year's girl's varsity basketball team. First of all, the players grew together as a team. We had a young team that matured. During the first half of the season we had our ups and downs during each game; however, during the second half we jelled as a team. More players were beginning to play to their potential. We improved every game; consequently, our statistics improved in every category. We will miss two fine seniors--Connie Greer and Mercy Soto. Both contributed to our success this year. We have much to look forward to next season.

**"Sullivan  
qualified for the  
state finals"**

The team finished with a perfect 11-0 dual meet record, placed second in the conference meet losing by three points to North Newton, and won the Lake Station Triple dual. In Sectionals the Eagles lost by 1 1/2 points to state ranked Hobart, but placed ten wrestlers in the region-als. The team placed two wrestlers in semi-state--Jeff King (177 pounds) and Tony Sullivan (98 pounds). Tony Sullivan qualified for the state finals placing fourth at semi-state. The team lost one senior captain--Neil Sullivan; everyone else will be back next year.

**"Led in scoring  
by  
co-captains"**

Our season dual meet record was 2-8, and we finished fourth in NWHC. We were led in scoring by senior co-captains Bob Worst and Hyon Su Kwak. Season highlights included a new school record by Bob Worst in the 400 meter dash-:51.06. Sectional qualifiers were Bob Worst in the 400 meter dash and 300 meter low hurdle, Hyon Su Kwak in the long jump and 300 meter low hurdle, and Tom Noe and Jesse Pacheco in the discus. Conference champions were Bob Worst-400 meter dash, Hyon Su Kwak-300 meter low hurdle, and Jesse Pacheco-discus.

The season ended with a 2-8 season; it was not a winning one, but the number of girls increased from years past. We will be sorry to lose our seniors who have each given four years to the track team. Soto, Traeger, Schammert, and Bastin scored a majority of the points this season. Our underclassmen played a very strong role. I hope the program continues to grow and the ladies continue to show their fine talents in the area of track and field.
